Children love the Reading Eggs program and benefit from repeating lessons and exploring the site. To get more time on-task, and to get the most out of Reading Eggs, it is great to have children use the program at home as well. It is also an excellent Home-School link that gets parents actively involved in their child's education. More than 99% of Reading Eggs parents would recommend the site to their friends because it's so easy to use and it works.

1. Click on **Manage Class** on the left Navigation Pane.
2. Click on the **Parent Letter**.
3. Print this document and hand it out to parents.

To access their child's school account from home, parents will just need to go to the Reading Eggs website and enter the student login details provided. ### Level 1 -

#### Starting Out in the Zoo

This first level is aimed at 4-6 year olds who have little or no reading skills. This is where all children can begin to learn to read. By completing the 40 lessons in the Starting Out set, children will learn their first reading skills. This includes learning the sounds and names of the alphabet letters, reading their first sight words, such as the, I, and, is and see. They will also learn the essential phonic skills needed to read three letter words such as cat, fan and Sam. Children will then be able to read their first simple stories featuring Sam the ant.

Maps 1 - 4

### Level 2 -

#### Beginning to Read in The Playground

The next level builds on skills learnt in Level 1 with a focus on short vowel words such as cat, dog, ten, fish, and duck, and on building reading skills. Children will learn many more high frequency sight words, build word families, and read another 40 books. Some of these books are nonfiction titles with a focus on building vocabulary in these areas – colours, numbers, facial features, and pets.

### Level 3 -

#### Building Confidence at The Theme Park

The third level covers long vowel words such as cake, kite, rain, cook, seat, and cute. These new phonic patterns are introduced and reinforced so that children can read them fluently and spell them correctly. There is an increased focus on reading for meaning, comprehension, and understanding longer words and sentences. Children read 40 new, longer books. Some of these books will be nonfiction titles with a focus on building vocabulary in a variety of key areas.

The student's recommended list of leveled readers – all with audio + quizzes

## Storylands

The popular Blake Education book series is now part of Reading Eggs with lessons for the first 20 Clinker Castle titles. The 20 lessons contain 140 activities that cover Emergent and Early reading levels 1 – 10 and build reading, vocabulary and comprehension skills.

Storylands opens after Reading Eggs lesson 60.

## Skills Bank Spelling

The Spelling Vault contains 96 carefully graded spelling lessons. Each spelling lesson focuses on a 12-word spelling list.

Each lesson includes a variety of interactive activities that use a range of spelling strategies including word structure, word families, meaning, segmentation, morphemes, phonics, and repetition to build students' word knowledge and spelling recall.

Every lesson ends with a 12-word spelling test. Students' results are saved for both the student and the teacher. Student results are collated and the teacher can see both individual and class reports.

Printable worksheets complement the online lessons. Teachers can use the lessons and worksheets as part of their spelling program.

### Assessment and Reporting

All student results are recorded and are accessible from your Teacher Dashboard in the form of student reports. These include test results and lessons completed. Teachers also have access to a complete scope and sequence of content covered, word lists, and skills charts.

## The Story Factory

This is where Eggsplorers can create their very own story books with full-colour illustrations. Each child's story books are saved in the bookshelf in My House.

The other fabulous feature of the Story Factory is the Weekly Contest. Enter stories into the contest to win 200 Golden Eggs. Every week, the top stories are shortlisted and go on display in the Story Factory Showroom. Then it is up to all our Eggsplorers to vote for their favorite story. Read and rate the top stories to help choose the winner. Winners are announced every Friday.

Children love to read their own stories and The Story Factory is a wonderful way to build a love of both reading and writing.

## Puzzle Park

32 brain stretching puzzles that reinforce a variety of literacy skills including comprehension skills, sight word knowledge, vocabulary development, following directions, and problem solving. Students earn Golden Eggs for each correct answer in each of these timed activities.

## Driving Tests

Reading Eggs Driving Tests assess student's basic skills knowledge. When students get every questions correct, they are rewarded with a racing car game. The tests completed correctly means more turns around the track!

### Sight Words, Phonic Skills, and Content-Area Vocabulary

Assessing sight word knowledge and phonic skills is a fundamental part of any early literacy program. The first 200 high-frequency sight words make up almost 65% of the words that appear in most texts. Knowing these sight words and having a good understanding of a range of phonic skills makes fluent reading easier, and lets the brain focus on comprehension.

Knowing where children are up to in this progression is essential. These tests will save you time and motivate your students to stay on track as they improve their skills.
