LEARNING TO READ WITH READING EGGS

Thank you for choosing this **Reading Eggs** packet. At **Reading Eggs** we know that there are many skills children need to achieve reading success. Research shows that a crucial early part of the reading journey is learning high-frequency sight words. High-frequency sight words are words that children will come across most frequently when reading and are difficult to phonetically decode. The first 100 sight words make up more than 50% of most early reader texts. Recognising sight words is key for learning to read! Knowing sight words helps

- ✓ reading fluency
- ✓ reading comprehension
- ✓ build confidence in learning to read.

Our series of sight words books combine these high-frequency sight words + phonically decodable words to unlock the magic of reading. This packet focuses on 12 high-frequency sight words with 30 short stories. Each story has four sentences that gradually increase in complexity. Best of all, the 120 sentences can be read again and again. You will notice that the sight words are colour coded and each sentence shows a sight word in its feature colour. This is to help with sight word recognition.

WHY HIGH-FREQUENCY SIGHT WORDS?

Fluency is the ability to read well with accuracy and expression. Children who read fluently are not struggling to sound out each word. They are recognising words and reading with understanding. To do this, they need to recognise high-frequency words at sight. Being able to recognise these words at sight helps children read for meaning with better understanding.

The **Reading Eggs** team are passionate about helping children learn to read so we're always adding resources to help at home and in the classroom. To find more resources for reading and other key reading skills visit **Teach with Reading Eggs on Teachers Pay Teachers**.

Katy Pike
**Katy Pike and
The Reading Eggs Team**

Happy
Eggsploring!

I know how much you care about giving your child a great start in reading, because I had the EXACT same feeling, too. I remember life before Reading Eggs. Like you, I was determined to give my four kids the BEST start in life, and that meant helping them learn to read.

The problem was that reading is complicated. There are so many skills they need to learn. From phonological awareness, phonics, sight words and vocabulary to comprehension and fluency, it's hard to know where to start. And most children need lots of time and a whole lot of repetition to get all these skills in place. If you're busy, this can get very challenging very quickly.

We knew there had to be an easier way. So I used my 25 years of experience in educational publishing, along with the most solid scientific research on reading instruction and child motivation, to create the online Reading Eggs program. This reading program completely transformed the way millions of children around the world learned to read. 10 MILLION children to be exact (and counting)!

Reading Eggs works because it's built on the five pillars for reading success. The program is used in thousands of schools because it's so effective. And kids love it. And you will too as you watch children make real progress in the most important skill they need for future academic success.

I hope you enjoy the reading journey,

Katy Pike

WHERE CHILDREN BECOME GREAT READERS!

The online reading program for 2–13 year olds.

Reading Eggs is the multi-award winning reading program that has been used by over 10 million children worldwide. Children have fun learning **phonics** and **essential reading skills** with interactive games, activities, and e-books.

Over 91% of parents using **Reading Eggs** report a noticeable improvement within weeks.

Ages 2–4

First Steps

Delight your toddler with fun games and activities that build alphabet knowledge and ready-to-read skills.

Ages 3–7

Learning to Read

Children follow structured, one-on-one lessons that teach phonics, sight words and reading skills.

Ages 7–13

Building Confidence

Older children can continue building key literacy skills that will help them succeed.

www.readingeggs.com

READING EGGS AT HOME

It's so easy to get started with **Reading Eggs**.

1 Placement test

Have your child take the **Reading Eggs** placement test. This will ensure your child begins at the appropriate level. Let the reading begin!

2 120 Reading lessons

Your child can be starting their personalised reading journey in minutes and with 120 lessons, games, songs and hundreds of books, you know they will be on the right track to reading success.

3 Printable pages

Worksheets and teaching notes are available for every lesson.

SCIENTIFICALLY PROVEN TO WORK!

In an independent study conducted in 2017, students using **Reading Eggs** outperformed students that didn't use the program. Student engagement with the program was high because of the variety of lessons, fun activities, songs, and rewards.

Students using **Reading Eggs** for 60 minutes per week made significant improvements in their phonics skills, reading levels, and reading proficiency. In fact, 93% of students increased at least one reading level over the six weeks.

HOW TO USE

With these cards you can print, laminate, cut and start using them right away.

What's included?

- ✓ 12 × sight words tracing cards
- ✓ 12 × sight words flashcards
- ✓ 120 × sentence strips
- ✓ Teacher tracking chart

Setting it up

- 1 Print pages 6–41 single sided.
- 2 Laminate each page for durability.
- 3 Cut along the dotted lines to make the flashcards, tracing cards and sentence strips.
- 4 Use resealable bags to keep the sight words cards with the matching sentences.
- 5 Always use one set at a time.

Notes for printing

These also work well printed in the grayscale to save on colour ink.

TEACHING IDEAS

- 1 Start with the tracing cards. Use playdough or clay to build sight words or colour with non-toxic washable paints or washable markers. If your students like getting their hands dirty, shaving foam or slime are great outdoor activities for sight words.

- 2 Firstly, you can show each sight word flash card, on pages 7 and 8. Then practise reading the sentences one at a time. Use the tracking sheets on pages 39–43 to assess your students reading fluency and knowledge of the 12 sight words.

- 3 The flashcards can also be used with magnetic letters to copy words. Do letter hunts and spell out sight words using old newspapers, catalogues and magazines. Be sure to say the word each time it is made.
- 4 Ask students to draw illustrations to match the sentences. This helps check comprehension and understanding. Be sure to get them to practice writing the sentence too!

RESOURCE LISTING

Set	Sight words	Story	No.	Sentence
1	I, am, at, a	1	1	I bat.
1	I, am, at, a	1	2	I nap.
1	I, am, at, a	1	3	I ran.
