In this book

The **Reading Eggspress Spelling** program provides instruction on spelling rules, strategies and generalisations. Each lesson focuses on a core set of 20 words, plus 10 challenge words to extend students. Answers are included.

The crafted word lists are based on the sound, structure and meaning of words, and were created to align with the following components of the Australian Curriculum:

Australian Curriculum content codes and descriptions

ACELA1471 – Understand how to use knowledge of digraphs, long vowels, blends and silent letters to spell one and two syllable words including some compound words

ACELA1472 – Build morphemic word families using knowledge of prefixes and suffixes

ACELA1823 – Use knowledge of letter patterns and morphemes to read and write high-frequency words and words whose spelling is not predictable from their sounds

ACELA1824 – Use most letter-sound matches including vowel digraphs, less common long vowel patterns, letter clusters and silent letters when reading and writing words of one or more syllable

ACELA1825 – Understand that a sound can be represented by various letter combinations
