In this book

The **Reading Eggspress Spelling** program provides instruction on spelling rules, strategies and generalisations. Each lesson focuses on a core set of 20 words, plus 10 challenge words to extend students. Answers are included.

The crafted word lists are based on the sound, structure and meaning of words, and were created to align with the following components of the Australian Curriculum:

Australian Curriculum content codes and descriptions

ACELA1500 – Understand that the pronunciation, spelling and meanings of words have histories and change over time

ACELA1526 – Understand how to use knowledge of known words, word origins including some Latin and Greek roots, base words, prefixes, suffixes, letter patterns and spelling generalisations to spell new words including technical words

ACELA1830 – Understand how to use phonic knowledge and accumulated understandings about blending, letter-sound relationships, common and uncommon letter patterns and phonic generalisations to read and write increasingly complex words
