In this book

The **Reading Eggspress Spelling** program provides instruction on spelling rules, strategies and generalisations. Each lesson focuses on a core set of 20 words, plus 10 challenge words to extend students. The crafted word lists are based on the sound, structure and meaning of words, and were created to align with the following components of the Australian Curriculum:

Australian Curriculum content codes and descriptions

ACELA1500 – Understand that the pronunciation, spelling and meanings of words have histories and change over time

ACELA1513 – Understand how to use knowledge of known words, base words, prefixes and suffixes, word origins, letter patterns and spelling generalisations to spell new words

ACELA1514 – Explore less common plurals, and understand how a suffix changes the meaning or grammatical form of a word
