Reading
eggs

BROUGHT TO YOU BY THE TEACH WITH READING EGGS TEAM

www.readingeggs.com

LEARNING TO READ WITH READING EGGS

Thank you for choosing this **Reading Eggs** packet. This packet gets children to focus on the shape of lowercase and uppercase letters. Recognizing the shapes, with all of their curves and straight lines is tricky, so children need lots of practice. Children need to recognize how letters can look. Letter recognition is part of a bigger set of skills called alphabet knowledge. Alphabet knowledge skills include being able to

- ✓ recite the alphabet
- ✓ learn letter names (letter/name knowledge)
- ✓ hear the sound that matches the letter (letter/sound knowledge)
- ✓ write letters and words (letter/shape knowledge).

Alphabet knowledge is foundational for

- ✓ Beginning readers
- ✓ Struggling readers
- ✓ ELL

Using this packet, children will build letter recognition skills. The packet contains 26 x printable alphabet worksheets one for each letter of the alphabet.

WHY ALPHABET KNOWLEDGE?

Alphabet knowledge is having an awareness of the names and sounds of the letters of the alphabet. It is a strong predictor of reading success and therefore a very important early literacy skill. Knowing the letters of the alphabet and recognizing them in print is a critical skill to help children decipher text on the page.

The **Reading Eggs** team are passionate about helping children learn to read so we're always adding resources to help at home and in the classroom. To find more resources for phonological awareness and other key reading skills visit **Teach with Reading Eggs on Teachers Pay Teachers**.

**Katy Pike and
The Reading Eggs Team**

Happy
Eggsploring!

I know how much you care about giving your child a great start in reading, because I had the EXACT same feeling, too. I remember life before Reading Eggs. Like you, I was determined to give my four kids the BEST start in life, and that meant helping them learn to read.

The problem was that reading is complicated. There are so many skills they need to learn. From phonological awareness, phonics, sight words, and vocabulary to comprehension and fluency, it's hard to know where to start. And most children need lots of time and a whole lot of repetition to get all these skills in place. If you're busy, this can get very challenging very quickly.

We knew there had to be an easier way. So I used my 25 years of experience in educational publishing, along with the most solid scientific research on reading instruction and child motivation, to create the online Reading Eggs program. This reading program completely transformed the way millions of children around the world learned to read. 10 MILLION children to be exact (and counting)!

Reading Eggs works because it's built on the five pillars for reading success. The program is used in thousands of schools because it's so effective. And kids love it. And you will too as you watch children make real progress in the most important skill they need for future academic success.

I hope you enjoy the reading journey,

Katy Pike

WHERE CHILDREN BECOME GREAT READERS!

The online reading program for 2–13 year olds.

Reading Eggs is the multi-award winning reading program that has been used by over 10 million children worldwide. Children have fun learning **phonics** and **essential reading skills** with interactive games, activities, and e-books.

Over 91% of parents using **Reading Eggs** report a noticeable improvement within weeks.

Ages 2–4

First Steps

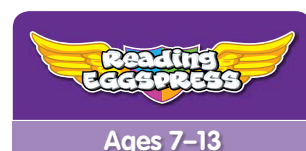

Delight your toddler with fun games and activities that build alphabet knowledge and ready-to-read skills.

Ages 3–7

Learning to Read

Children follow structured, one-on-one lessons that teach phonics, sight words, and reading skills.

Ages 7–13

Building Confidence

Older children can continue building key literacy skills that will help them succeed.

www.readingeggs.com

READING EGGS IN THE CLASSROOM

It's so easy to get started with **Reading Eggs**.

1 Placement test

Have your class take the Reading Eggs placement test. This will ensure each student begins at the appropriate level. Let the reading begin!

2 120 Reading lessons

Your students can be starting their personalized reading journey in minutes and with 120 lessons, games, songs, and hundreds of books, you know they will be on the right track to reading success.

3 Connect with parents and guardians

Send home letters to give students access from home. They should aim to complete three 15-minute sessions per week. Printable parent letters are

quick to set up, giving your students access to the program from home.

4 Allocate lessons and homework

Worksheets and teaching notes are available for every lesson, giving you the ability to allocate lessons and written homework.

5 Assess and review results

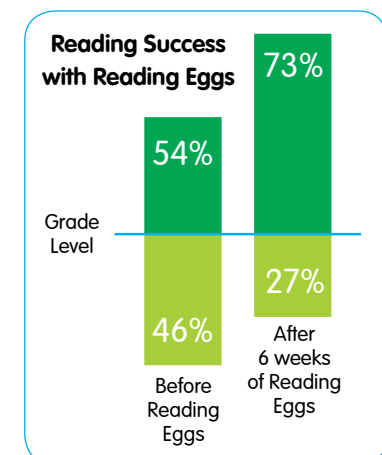

Keep track of progress with the easy-to-read reports in your teacher dashboard. See time on task, reading lessons, and quizzes completed, as well as the many, many books read by your students!

SCIENTIFICALLY PROVEN TO WORK!

In an independent study conducted in 2017, students using **Reading Eggs** outperformed students that didn't use the program. Student engagement with the program was high because of the variety of lessons, fun activities, songs, and rewards.

Students using **Reading Eggs** for 60 minutes per week made significant improvements in their phonics skills, reading levels, and reading proficiency. In fact, 93% of students increased at least one reading level over the six weeks.

HOW TO USE

These boards are great for learning centers. Just print and start using them right away.

What's included?

- ✓ 26 × letter mazes in color
- ✓ 26 × letter mazes in black and white

Setting it up

- 1 Choose to print in color (pp. 7–32) or black and white (pp. 33–58).
- 2 Print pages chosen pages single-sided.
- 3 Photocopy the required number for your students.

TEACHING IDEAS

- 1 Use one maze at a time. Choose a small object to “race around” that starts with the letter; e.g., an acorn for A, a button for B, a car for C, etc. Ask children to practice saying the sound while you zoom around.

- 2 Draw a large outline of a letter on large poster paper. Get students to cut out letters from old magazines and fill in the poster paper letter. It makes an excellent visual so children can see different fonts.

- 3 Make letters with different materials—craft sticks, pipe cleaners, blocks, wool and string are all fun to play with. Using different shaped materials will build fine motor skills as children grip, manipulate and move materials.

THANK YOU!

Thank you for trying this resource!

We hope you enjoy using it with your students.

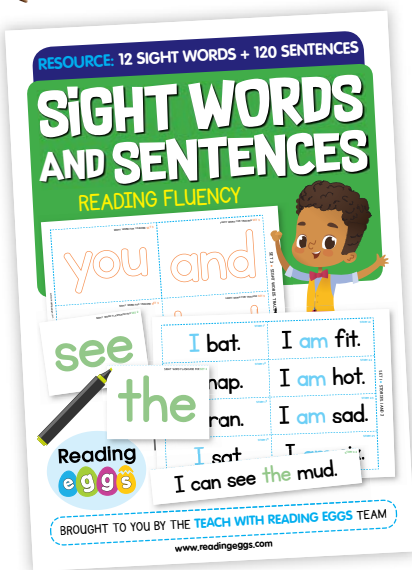

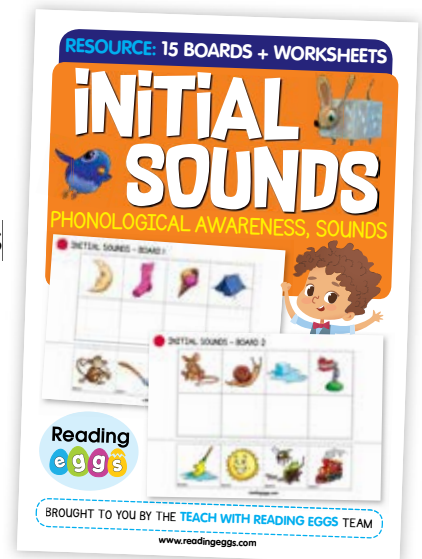

Visit our **Teach Reading with Reading Eggs TPT** store for these other great resources.

INITIAL SOUNDS MATCH GAME

What's the first sound you hear?

Strengthen listening skills with no-prep, initial sounds cards. Build crucial phonemic awareness with these beautifully illustrated cards.

SIGHT WORDS AND SENTENCES

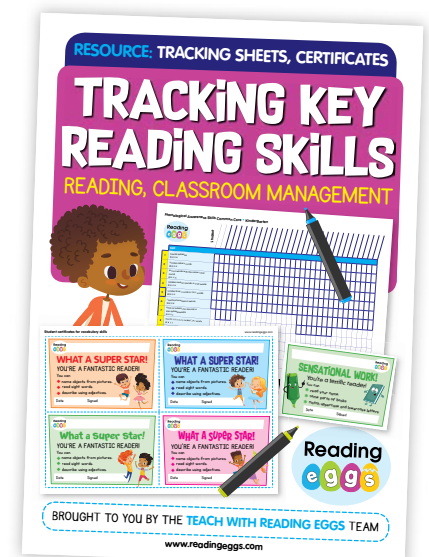

Build fluency and confidence for beginner readers

Twelve high-frequency sight words and 120 sentences that gradually increase in complexity as you work through the packet. Foster engaged learning, while students develop sight word mastery!

TRACK KEY READING SKILLS

Measure growth and track reading success!

Easy and effective skills tracking charts to measure reading progress in phonological awareness, phonics, vocabulary, comprehension, fluency, and print concepts.

HAPPY EGGSPLORING!
